At the conclusion of the business day each Friday, the North Carolina Division of Non-Public Education (DNPE) will have processed all home school Notice of Intents, which were received by DNPE no later than Wednesday of the same week.

For example: All Notice of Intents forms received by Wednesday, July 14, 2010 will be posted by the end of the business day Friday, July 16, 2010.

You can expect to receive your formal written acknowledgment within 10 days (if intent forms were submitted via US Postal Service) or within one business day (if intent forms were submitted via the online process) **provided** you included proper high school diploma evidence for all persons named on lines 8 and 9 of your submitted home school [Notice of Intent form](#).

Notices of Intent should always be filed with DNPE at least 30 days before the date you wish to withdraw your child from his/her current conventional school (public or non-public).

Otherwise, parents/guardians remain under the legal jurisdiction of local public school compulsory attendance enforcement authorities and risk possible prosecution by them for a compulsory attendance violation until the registration process with DNPE has been completed.
